THINGS TO CONSIDER

Please check off any of the following that you would like to discuss..

- Kaddish should be done by a son. If there are no sons or the sons may not go to Shul each day, you can pay someone to do Kaddish.
- A Yohrtzeit Memorial plaque in Shul to be lit for the entire year after passing, Yizkor and each Yohrtzeit.
- Put your name on a building, room or portion of one on a Jewish institution.
- Leave an eternal legacy to the Jewish community by leaving a portion of your estate, life insurance or stock to Chabad Chayil. Even when leaving everything to children, many people leave 10-20% for charity.
